The amount of Rs 5000 originally provided for the construction of the Hostel having been otherwise disposed of, the present application will have to be considered de novo (vide Secys remarks of 12/4/13 on page 8 of the office Note & Reflx Fde no 53-12)

Put before Secy as per 5000 ods for Students home but the Minister have already passed a grant of 3500 for machinery &c for the Industrial School at Tuticorin. His order to have been dictated by the circumstances that the amount was Recurring the sum of 5000 promised to the Mission. In the circumstances stated we cannot give anything more than 1500 the balance of the grant 5000 already promised. There is no reason to give any thing more

A grant would have been quite appropriate in this purpose also 1/11/13

Secy 9

Rs 1500 may be paid & the charge met from the provision for Sloyd building grant which is not likely to be fully required for the original purpose

I am sorry I am unable to follow the argument of the first Branch

The grant for the machinery for the Tumkur Industrial School had no necessary connection with the grant for the hostel that grant would have been quite appropriate in itself. The fact that the hostel construction was at that time undecided only made provision of funds easy.

13 In ~~now~~ dealing with the present application the ~~only~~ questions to be answered are Whether the hostel is necessary whether Govt help to the extent of 5000 Rs is justified

14 With due deference these questions deserve an affirmative answer

15 The building is estimated to cost about 20,000 Rs & one fourth of that amount is recommended as a grant-in-aid.

16 The grant may be provided

The Inspector-General of Education recommends that a sum of Rs 5,000 may be sanctioned as Government grant for the construction, by the Wesleyan Mission authorities, of a Hostel for the students of the Wesleyan Mission school at Bangalore, and suggests that the amount provided in the current year's Budget for the Sloyd buildings for the Wesleyan Mission High Schools at Bangalore and Mysore may be utilised for this purpose as it is proposed to substitute drawing as an alternative to sloyd, so far as these schools are concerned This amount was provided in the Budget of 1912-1913, but could not be utilized as the construction of the Hostel was not taken in hand in time by the Mission authorities and a portion of it, viz , Rs 3,500 was utilised for another purpose, viz the Mission Industrial School at Tumkur

Page 4 of the office notes

2 The Financial Secretary states that only a sum of Rs 1,500 may be paid

Page 6 of the office notes

3 The First Councillor is of opinion that the proposed Hostel is necessary and that the Government help of Rs 5,000 is justified in the circumstances of the case

4 I agree with him and recommend that the grant of Rs 5,000 asked for may be kindly sanctioned to be met from the source pointed out by the Inspector-General of Education The sum of Rs 3,500 sanctioned out of the provision in last year's Budget was for an entirely different institution

SIR

With reference to Government Order No 9289-91/Edn 53-12-6 dated 22nd May 1913 sanctioning a grant of Rs 3500/- towards the cost of machinery &c purchased for the Wesleyan Mission Industrial School Tumkur out of the building grant of Rs 5 000/- sanctioned in Government Order No 7624-5/Edn 262-11 dated 16th April 1912 for the construction of a Hostel for the Wesleyan Mission High School Bangalore which Rev D A Rees relinquished I have the honour to forward herewith for the favourable orders of Government copy of letter dated the 3rd instant from Rev D A Rees stating that he is now in a position to take in hand the construction of the said Hostel and requesting that some assurance may be given that the grant for the Hostel which was sanctioned but which lapsed in consequence of his being unable to begin the work in time will be provided in the next year's budget in

order that he may commence the work forthwith

In this connection I beg to enclose for the information of Govern-ment copy of a letter from Mr Rees, dated 17th instant in reply to my D O letter No 266 dated 12th instant At present both the London Mission and the Wesleyan Mission High Schools feel it a great burden to construct sloyd halls for their pupils, and I doubt whether even with the generous grants promised by Government in the Education Budget of the current official year, the Mission will be able to raise their portion of the cost I am of opinion that Government may be pleased to sanction the proposal made in this office letter No 2196/128 dated 18th August 1913 to substitute Drawing as an alter-native to Sloyd and allow Mr Rees to utilize Rs 5,000 out of the amount promised for the construction of Sloyd buildings in Mysore and Bangalore, towards the construction of the Hostel at Bangalore

I have the honour to be,

Sir,

I would have replied to your D O No 266 of the 12th instant earlier bur for my absence from Bangalore I only returned last night

If the proposal that Drawing or Sloyd be agreed to we shall certainly choose Drawing both in Mysore and Bangalore and the buildings which we should have to erect for the Sloyd classes would not be needed The fact that such heavy grants for Sloyd Halls would be unnecessary ought to weigh in favour of the proposal unanimously made by your Committee
